BCCA Integrating Newcomers - for Employers

BC Construction Association's Integrating Newcomers (BCCA-IN) program is dedicated to solving the skilled workforce shortage challenges of Canada's construction industry.

Funded by Immigration, Refugees and Citizenship Canada, the initiative provides free pre-arrival services to highly skilled immigrants committed to starting or continuing careers in the construction industry.

Employer Services

We will provide you with first access to highly skilled immigrants committed to careers in the construction industry - at no cost.

- Pre-screened, job-ready skilled workers
- Prepared professionals, briefed on business culture and the local industry
- Experts with international experience
- Flexible workers committed to relocating for the best opportunities
