BCCA Integrating Newcomers

If you are coming to Canada, are interested in working within the construction sector, and have received Permanent Residence approval, a representative from BCCA-IN wants to talk to you!

Who do we help?

Funded by Immigration, Refugees and Citizenship Canada, BCCA-IN facilitates the economic and social integration of immigrants approved for entry into Canada.

BCCA-IN can support individuals before they arrive in Canada by helping to assess skills, find information about working and living in Canada, and connect with employment services and supports.

Who is Eligible?

- Must live outside of Canada
- Have received a "Positive Eligibility Decision" on your application for permanent residency

OR

- Have received a Confirmation of Permanent Resident letter (COPR)
